DESCRIPTION

The 50000 meter lot is absolutely private and quiet location in San Jose with ocean views and countryside.

The plot is flat with a very nice view of the green and the sea. The finca could be extended 300m² and have a pool of 8 by 3 meters. The land is absolutely private and quiet, an absolute feel-good oasis with an old stone oven and the house have on 2 floors on one part of the house. Here can be the master with amazing views.
