DESCRIPTION

Welcome to this sea view apartment with abundant natural light and a prime location right by the sea. This charming residence offers a tranquil and refreshing living experience, showcasing the beauty of coastal living.

Our advise would be to create an open floor plan for a flow between the living spaces, providing a spacious and airy atmosphere that instantly makes you feel at home. There is an option to create a second bedroom if preferred.

The living room is a cozy and flows into a light flooded terrace with a balcony to enjoy the seaviews. The kitchen is a functional and modern space, equipped with all the essential appliances.
