DESCRIPTION

Looking for a once in a lifetime opportunity? Seeking to add value to a frontline property with it's own boathouse and access to the mediteranian sea? Look no further! This unique and one of a kind property is ready to receive its upgrade.

This property comes with a ready to go project from the famous architect family Blakstadt. Of course one holds the posibility to create their very own project to whatever needs, style preferences and wishes. Do not hesitate and let yourself be fully informed on a personal viewing.
