N. Bedroom:	5	N. Bathroom:	5
M ² Property:	960	M ² Inside:	

This property is not for sale until the energy certificate has not been submitted.

DESCRIPTION

We are proud to present one of the last frontline plots with direct access to the sea in Ibiza. The plot covers 960 m² and the planned villa offers a constructed area of 560 m². The construction costs amount to 1.5 million euros. As the building permit has already been granted, construction can begin immediately. The estimated construction time is approximately 12 months.
