DESCRIPTION

Set within a private 5,000 m² estate in Cala Llonga, Casa Oasis is an exceptional 400-year-old finca that has been meticulously restored, combining authentic Ibizan character with contemporary luxury. Spanning approximately 650 m², the property offers a unique setting for family living, private hospitality, retreats, and exclusive events.

The estate features 9 beautifully appointed en-suite bedrooms, creating a spacious and comfortable environment for residents and guests. Its extensive facilities include a professional padel court, beach volleyball court, state-of-the-art gym, sauna, hammam, ice bath, dedicated massage area,

elegant fireplace, and DJ booth, providing an impressive combination of wellness, sport, and entertainment.

A major highlight is the property's private swimming pool, complemented by peaceful outdoor spaces surrounded by nature. The finca also holds a tourist rental licence, offering the potential for rental income while allowing owners to enjoy a distinctive private estate in one of Ibiza's sought-after locations.

Located in Cala Llonga, just 15 minutes from Ibiza Town, the estate provides a peaceful and private setting while remaining within easy reach of beaches, restaurants, marinas, and nightlife. With its historic architecture, extensive amenities, tourist licence, and approximately 650 m² of built space, Casa Oasis presents a rare Ibiza property combining heritage, lifestyle, and investment potential.
