### DESCRIPTION

An idyllic, shady campsite surrounded by ten hectares of Mediterranean pine forest. If you are looking for a place where you can find peace and relaxation in the midst of nature, this campsite is an ideal choice. The facilities are deliberately kept simple to preserve the relaxed, intimate atmosphere. There is plenty of space for children to play and run around. The popular vacation resort and the picturesque beach are only about 450 meters away and can be easily reached on foot. A small grocery store is just 50 meters from the campsite entrance, and on the way to the beach you will find a supermarket as well as numerous bars, stores and restaurants. The charming village centre and a marina are about 6 kilometers away and offers a variety of shops, restaurants and other amenities such as banks, post office and petrol stations.
