DESCRIPTION

This contemporary villa is located just minutes from peaceful Santa Eulalia. However, it is far enough away from the town that you can feel completely undisturbed and enjoy the peace and quiet. It is characterised by its clean design and high quality materials, constructed from one of the best builders from Ibiza.

The view of the sea and the city, which seems so close at hand, is breathtaking.

The villa is finished with sauna and a small room in the basement. The house will be completed by June 2022.
