DESCRIPTION

Can Rimbau is one of the most desirable and exclusive locations in Ibiza. The outer residential area is closed off from the outside world, in the middle of an entrance gate. Can Rimbau is located near the village of Jesús, near Talamanca, Marina Borafoch and Ibiza Town.

The plot includes an approved project for a luxury villa with five bedrooms and five bathrooms. What is unique about this project is the mix of modern with classic and natural elements. At the moment, the construction of the villa is finished, and only the garden has to be landscaped. The villa has a spacious living room, open kitchen, and a view of the golf course and the sea. The spacious plot offers opportunities to enjoy both the sun and shade. There will be a large swimming pool and a roof terrace with panoramic views of the sea and the green hills of Ibiza.
