DESCRIPTION

For Investors who searching for hotels in Ibiza

We have a very large selection of hotels, motels on sale. If you are interested please send us a LOI, name of the buyer and a Passport ID. As all these hotels are not for sale online and the owners do not want this to be published, the steps must be followed.

After sending the LOI and a direct request for a specific hotel, a proof of the bank must also be sent to the owner's lawyer.

Please do not make any request without this process, we have been working in this business for many years and anything else is wasting time. I thank you in advance and look forward to cooperation.
