DESCRIPTION

Discover a secluded and nature-inspired retreat nestled on a picturesque hillside in the heart of San Jose. Situated on a vast private plot of nearly 20,000 square meters, this exceptional property awaits its final touches, offering a unique opportunity to tailor the finishing touches to your desires.

At present, the existing construction showcases the solid structure, reinforced flooring, expansive terraces, and a stunning swimming pool. The unfinished interior presents an open-concept living area that seamlessly merges with the natural surroundings, inviting the outdoors in. Imagine waking up to breathtaking views, as four bedrooms are ingeniously arranged in a stepped formation, providing individual privacy while maintaining a harmonious connection.

As the construction progresses, the surrounding trees can be carefully pruned or removed, enhancing the already captivating vistas. Located in the municipality of San Jose, this property promises tranquility and seclusion, while still being conveniently close to amenities and services.

Embrace the potential to create your dream home amidst nature's splendor, and seize the opportunity to make this unique property truly your own."
