DESCRIPTION

Nestled in the upscale urbanization of Can Furnet, this captivating and artistic residence stands out with its unique Igloo design, creating a distinctive presence in the luxurious neighborhood. The house is strategically positioned on the road leading to the hilltop, offering scenic land views and surrounded by lush greenery.

Spanning a generous plot of 700m², the property boasts a thoughtfully designed living space covering 329m². The architectural masterpiece includes covered parking space for two cars and bicycles, providing convenient and secure storage.

Comprising 4-5 bedrooms and 5 bathrooms, the house is both spacious and versatile. The upper floor features a dynamic layout, with a living room seamlessly blending into an open kitchen, an office/bedroom with an en-suite bathroom, a guest toilet, a storage room, and a winter garden. Various covered and uncovered terraces with chillout areas provide ideal spaces for relaxation and entertainment.

The lower garden floor enhances the living experience, offering a 2-bedroom apartment with a shared bathroom, a living room with an open kitchen and dining table, and a separate 1-bedroom apartment with a private terrace and entrance. The outdoor amenities include a refreshing pool, a covered outdoor dining table, a chillout pool area, and a pool bathroom with a shower. The tropical Mediterranean garden adds a touch of natural beauty to the surroundings.

This exceptional property in Can Furnet is not just a residence; it's a work of art that harmoniously blends with its environment, offering a one-of-a-kind living experience in a tranquil and scenic setting.
