This prime land comes with full planning permission to build a 240 m<sup>2</sup> (2,570 sq. ft.) country villa, complete with a 215 m<sup>2</sup> (2,300 sq. ft.) basement that offers the potential for additional living space with natural light in the future.

The charming town of San Rafael is just a stone's throw away, and both Ibiza Town and San Antonio are only a 10-minute drive from the property. Designed by the locally renowned architect Renata Fiorenza of Torres & Fiorenza Architects, this site is ideal as a permanent residence for large families or as a long-term investment offering remarkable rental returns, whether for short or long-term vacation rentals.

This land, sold with full planning consent, features almond, carob, and olive trees, along with many classic stone terrace walls typical of Ibiza. To the south, the property is bordered by a protected forest, ensuring privacy and prohibiting any future development nearby.
