### DESCRIPTION

The hotel enjoys a prime location in the heart of San Antonio, offering beautiful views over the bay, particularly from the recently renovated fourth and fifth floors. These upgrades form part of the wider renewal of San Antonio's lively West End.

The property features 30 rooms distributed across five floors, with a choice of double or single beds to suit different guest preferences. The spacious rooms are ideal for couples or friends sharing, providing both comfort and functionality. Air conditioning is available throughout the hotel, and a lift ensures easy access to all levels. Each room is equipped with a television with access to Netflix and other streaming platforms.

Ideally situated just a few metres from the Port of San Antonio and within a short walk of the famous sunset area, the hotel offers both convenience and an excellent coastal setting.
