DESCRIPTION

Located on the hillside within the exclusive gated community of Can Furnet, this penthouse is just a few minutes' drive from the village of Jesús, Talamanca Bay, Ibiza's marinas and the island's finest restaurants, clubs and nightlife, as well as Ibiza Town.

The property enjoys an exceptional setting, with panoramic views across Dalt Vila, Ibiza's bay, the island of Formentera and the surrounding Mediterranean landscape.

With a total built area of 163 m², the property comprises 108 m² of interior space distributed over two floors, 28 m² of terraces, a 10 m² private swimming pool and a 17 m² garage space. The ground floor features an open-plan living and dining area connected to the kitchen, with direct access to the terrace, where an outdoor dining area and private pool provide an inviting setting for enjoying the island's climate. The upper floor accommodates two bedrooms and two bathrooms, one of which is en suite, together with an additional terrace accessible from the bedrooms.

The penthouse is perfectly habitable in its current condition, although some refurbishment would allow its full potential to be realised. This presents an opportunity for the new owner to personalise the interiors and create a contemporary home in one of Ibiza's most sought-after residential communities. To illustrate the possibilities, a selection of digitally enhanced images has been included alongside the original property photographs, offering inspiration for a light renovation.

All renovations and interior makeovers can be fully managed and carried out by the CW Group team.
