DESCRIPTION

Located in the centre of the charming village of Jesús, directly opposite the church, this bright apartment enjoys open views from every window and its private terrace.

Although the property is perfectly liveable in its current condition, it does not meet today's standards, and a comprehensive refurbishment would be highly beneficial. The layout comprises two bedrooms, one bathroom, a separate kitchen with an adjoining utility area, and a living and dining room. The apartment is situated on the top floor of the building, making it effectively a penthouse, with no neighbours above.

Thanks to its central location and abundant natural light, the apartment offers a comfortable living environment within walking distance of local shops, restaurants, the pharmacy and other everyday amenities.

All renovations and interior makeovers can be fully managed and carried out by the CW Group team.
